

CORPORATE OUTINGS AT

THE FORGE

**LEMONT
QUARRIES**

ADVENTURE COMES IN ENDLESS FORMS

The Forge: Lemont Quarries is a one-of-a-kind destination that provides countless opportunities to experience elevated outdoor adventure all year round.

Set amidst a stunning natural landscape and featuring a versatile and wide-ranging mix of activities designed to **exhilarate, educate, and entertain**, the park offers an escape to an unforgettable interactive green space where guests can test their personal boundaries while engaging with their peers to learn new skills, have fun, and strengthen relationships.

Why Invest In Team Building?

- **Build Trust**
 - **Encourage Communication**
 - **Organic & Effective Bonding**
 - **Build a Culture of Collaboration**
 - **Mitigate Conflict**
- "Zoom Fatigue" is a real phenomenon. Having fun and engaging in socially-distanced social interaction will lead to greater productivity.
 - 96.3% of employees say team building has a positive influence on their relationships to colleagues.
 - 94.2% of employees say team building activities have improved their relationships to their employers.
 - 94.5% of employees said team building helped facilitate open dialogue in the workplace.
 - A single conflict in a team of 6 people earning \$100,000 annually would cost the company an estimated \$225,000.
 - Team building boosts engagement, and companies with engaged employees make as much as twice their profits of their unengaged competitors.

PILLARS OF SUCCESS

Adventure Comes in
Endless Forms

Exhilarate

Take your team to new heights! From climbing 110 feet to the top of our Skyscraper Tower for breathtaking views of the Chicago Skyline, to gliding across The Forge Quarry on one of our Paddlesport boats while guests zipline overhead, there are NO LIMITS to adventure at The Forge: Lemont Quarries.

Educate

Experiential learning drives team engagement and retention. Move your team out of its comfort zone and into adventure with one of our many team building offerings. Team building activities at The Forge: Lemont Quarries can range from **AR Adventure Games**, to **team clean-up initiatives**, to **community art creation & installation**, and more.

Entertain

Personalize your program with a “kick-off” or “wrap-up” of your day at our private amphitheater, The Mount. Adventurers looking to kick back and relax will find a host of unique dining opportunities with The Foundry, our casual grab & go facility, and Forgefire Adventure Dining, our chef-curated fireside dining experience.

EXPERIENCE ADVENTURE

Play Outside Your
Comfort Zone

With several outdoor locations available within the park, there are countless ways your company can engage in both work and play. Our detail-oriented event team can work with a variety of group sizes to execute on your group's specific needs.

Catered meal options including buffets, plated meals, and private bar services provided by our in-house catering staff are available. Also, our event staff can provide technical AV support and services as well as event design support where needed.

YEAR ROUND ADVENTURE

Embrace Adventure
Outdoors Every Season

Feeling caged?

**The Forge offers
year-round activities -
rain, shine, or snow.**

Don't limit your team-building and client entertainment to the warmer months. Our outdoor adventure park makes for unique holiday parties and ignites the fire during the dreary, colder weeks.

Give them that extra push to get through the last few months of the year, or get them pumped for the new year.

With heated tables and 6 heated dining igloos, we offer comfortable outdoor dining and beverages, no matter the temperature.

All our activities are open, weather permitting. Rental spaces are subject to a food & beverage minimum purchase.

SOCIAL IMPACT

Friends of The Forge &
The Forge Charitable
Adventures

Doing Well By Doing Good

The Forge: Lemont Quarries is committed to making a transformational impact in the communities we serve. As such, we created **The Forge Charitable Adventures** - a non-profit charitable organization focused on developing and providing access to outdoor education and recreation opportunities for people of all ages, abilities, and socio-economic circumstances. The Forge Charitable Adventures is also dedicated to helping to improve the health of our communities by restoring and preserving natural areas and open space, and promoting active stewardship of our environment.

Volunteers are the backbone of our community at The Forge: Lemont Quarries. Individual, group volunteer, and youth volunteer opportunities are available at The Forge: Lemont Quarries. Friends of The Forge volunteers participate in various areas including the restoration and beautification of the Heritage Quarries Recreation Area. As a volunteer, you will have endless opportunities to make a difference, share your skills, and connect with people of all ages and abilities.

SAFETY FIRST

The Forge: Lemont Quarries
& Our Response to
COVID-19

The Forge: Lemont Quarries will operate implementing evidence-based strategies to keep our guests healthy and safe while visiting the park

If guests have experienced illness symptoms within the last 14 days, they are asked to return home. Guests are asked to continue to **keep a physical distance of 6 feet** from people outside of their household. **Per the State of Illinois Guidelines, a face mask/covering is not required to be worn by guests who have been fully vaccinated for two weeks. Staff members who have been fully vaccinated are no longer required to wear masks, but have them on their person for the comfort of guests.** Head coverings are required under helmets and gloves are required when participating in activities. **Hand sanitizer stations are available around the park,** and guests are encouraged to bring their own personal hand sanitizer bottles. Guests should alert others of their presence when passing them on the trails.
